November, 2013

Positions

2013 to now	Associate Professor, Department of Brain and Cognitive Sciences, and Department of Computer Science (by courtesy), University of Rochester
2010 to 2013	Wilmot Assistant Professor of the Sciences, University of Rochester
2007 to 2013	Assistant Professor, Department of Brain and Cognitive Sciences, and Department of Computer Science (by courtesy), University of Rochester

Education

2006, Fall	Post-Doctoral scholar, Dept. of Psychology, UC San Diego (with Prof. Victor Ferreira)
2001 to 2006	Ph.D. Linguistics, Cognitive Science designation, Stanford University − Dissertation on *Redundancy and Syntactic Reduction in Spontaneous Speech*
2004, Fall	Ph.D. visiting student at the Department of Brain and Cognitive Sciences and the Department of Linguistics and Philosophy, MIT
2002	European Summer School of Language and Logic, Trento, Italy
2002	DGfS and LSA Summer Institute in Linguistics, Düsseldorf, Germany
2000 to 2001	Fulbright visiting graduate student in Linguistics, UC Berkeley
1999	Cognitive Science Fall School, DFKI, Saarbrücken, Germany
1996 to 2000	M.A. in Computer Science and Linguistics, Humboldt University and Technical University, Berlin

Awards and Honors

2007 to 2013	Invited to teach at Summer Institute of the Linguistic Society of America
2011 to 2013	Alfred P. Sloan Research Fellow
2010	Visiting Scholar, Linguistics Department, Stanford University
2010 to 2012	Appointed Wilmot Assistant Professor of the Sciences
2007	Jerrold J. Katz Young Scholar Award
2006 to 2009	Scientific advisory board to the German Academic Exchange Network
2004 to 2005	Edinburgh-Stanford LINK Educational Grant
2002	DGfS award for Linguistic Society of America Summer Institute
2002	FoLLi award for European Summer School of Language and Logic
2001 to 2006	5-year Stanford University Fellowship (Ph.D. studies)
2000 to 2001	1-year Fulbright Scholarship to UC Berkeley
2000 to 2001	1-year Hans Boeckler Scholarship to UC Berkeley
1996 to 2001	5-year Hans Boeckler Fellowship (M.A. studies)
1992	Federal Environmental Award (Stiftung Arbeit and Umwelt, Germany)

Research Funding

2013-2018	$1,576,134	NIHCD R01 HD075797 *Phonetic adaptation as (near-)rational learning in a variable environment*
2012-2013	$40,000	Provost's Multidisciplinary Award [XX% funding rate]: *Communicative Pressures in Language and in Music* (Co-PIs: D. Temperley)
2012-2013	$16,000	REUs for NSF IIS-1150028: *CAREER: Communicative Efficiency and Adaptiveness in the Ideal Speaker*
2012-2017	$519,834	NSF IIS-1150028: *CAREER: Communicative Efficiency and Adaptiveness in the Ideal Speaker*
2011-2013	$50,000	BR2011-092: *Alfred P. Sloan Research Fellowship* [118 researchers in math, economics, neuroscience, computer science, and biology in the US and Canada]
2009-2012	$97,654	NSF BCS-0845059: *Collaborative Research: Bayesian Cue Integration in Probability-Sensitive Language Processing* (w/ E. Gibson, MIT) [18% funding rate]
2009-2012	$286,895	NSF BCS-0848353 (incl. REU): *Collaborative Research: Studying Language Production in the Field* (w/ J. Bohnemeyer, UB) [18% funding rate]
2009-2010	$23,000	Provost's Multidisciplinary Award [12% funding rate]: *Computational Psycholinguistics: Integrating Computational and Behavioral Methods to Study Human Language Processing* (Co-PIs: D. Gildea, L. Shubert, M. Tanenhaus)

Workshop Funding

2013, July	$11,903	NSF BCS-1330937: *Workshop: How the Brain Accommodates Variability in Linguistic Representations; July, 2013 - University of Michigan* (Co-PI: Vic Ferreira)

PRESENTATIONS

Keynote Speaker at International Conferences and Workshops

1. **Jaeger, T. F.** 2013. *TBA*. Workshop on Gradience in Grammar, CSLI, Stanford, CA, January 17-19, 2014.
2. **Jaeger, T. F.** 2013. *Implicit linguistic learning and restructuring: Consequences for linguistic theory*. Linguistic Society of New Zealand Conference, Christchurch, New Zealand, November 20-22, 2013.
3. **Jaeger, T. F.** 2013. *Testing theories of cross-linguistic generalizations behaviorally: The redundancy-reduction link*. Workshop at the Linguistic Society of New Zealand Conference, Christchurch, New Zealand, November 20-22, 2013.
4. **Jaeger, T. F.** 2013 (September). *Efficiency of information transmission and adaptation in language production*. Workshop at Donders Institute of Cognitive Science, Nijmegen, Netherlands.
5. **Jaeger, T. F.** 2013. *Linguistic beliefs, prediction, and adaptation*. Workshop on How the brain accommodates variability in linguistic representation, Ann Arbor, MI, July 14, 2013.
6. **Jaeger, T. F.** 2012. *The Plasticity of Linguistic Representations: How the Brain Deals with Linguistic Variability*. Arizona Linguistics Circle 6 (ALC 6), Tuscon, Arizona, October 5-7, 2012.
7. **Jaeger, T. F.** 2012. *How to deal with invariance? Rapid belief update*. Empirical and Theoretical Approaches to Prosody 2011 (ETAP2), Montreal, Quebec, September 23-25, 2011.
8. **Jaeger, T. F.** 2011. *Linguistic experience and speakers' contribution to inference over a noisy channel*. Workshop on Structural Alternations: Speaker and Hearer Motivations. Center of Language and Cognition, University of Groningen, Netherlands, August 24th, 2011.
9. **Jaeger, T. F.** and Levy, R. 2011. *Surprisal and information density in sentence comprehension and production (and acquisition)*. LSA Workshop on Information-theoretic approaches to linguistics, Boulder, Colorado, July 16-17, 2011.
10. **Jaeger, T. F.** 2010. *'Utility' and 'Grammar': What alternations can tell us about the link between them*. Workshop on The Development of Syntactic Alternations. Stanford University, November 15th, 2010.
11. **Jaeger, T. F.** 2010. *The Probabilistic Base of the Language Production System*. 6th International Workshop on Language Production, Edinburgh, UK, September 2-4, 2010.
12. **Jaeger, T. F.** 2008. *What is "Complex"? Evidence that Information Density affects Language Production*. The Danish Royal Society Symposium on Empirical Methods in Investigating Linguistic Perspective, Copenhagen, November 26 – 28, 2008.
13. **Jaeger, T. F.** and Wasow, T. 2007. *Probability-Sensitive Reduction and Uniform Information Density.* Interdisciplinary Approaches to Relative Clauses, Cambridge, UK, September.
14. **Jaeger, T. F.** 2007. Using Corpora for Research on Language Production. *International Conference on Processing Head-final Structures*, Rochester Institute of Technology, Rochester, NY, September.

Plenary Talks at Special Sessions

15. **Jaeger, T. F.**, Fedzechkina, M., Kurumada, C., and Newport, E. 2012. *Confusability reduction in language production and acquisition*. DGfS, Frankfurt, Germany, March 7th- 9th.
16. **Jaeger, T. F.**, Butler, L. K., Norcliffe, E., and Bohnemeyer, J. 2012. *Comparing morpho-syntactic production in head marking vs. non-head-marking languages: Word order, agreement, and optional*

morphology in Yucatec. Symposium: Psycholinguistic Research on Less-Studied Languages at the 86th Annual Meeting of the Linguistic Society of America, Portland, OR, January 5th-8th.

Colloquium Talks

17. **Jaeger, T. F.** 2014 (TBA). TBA. Dept. of Linguistics, UC Davis, CA.
18. **Jaeger, T. F.** 2014 (April). TBA. Cognitive Science, John Hopkins University.
19. **Jaeger, T. F.** 2014 (April). TBA. Dept. of Linguistics, Maryland.
20. **Jaeger, T. F.** 2013 (November). TBA. University of Canterbury, Christchurch, New Zealand.
21. **Jaeger, T. F.** 2013 (November). TBA. Harvard University, MA.
22. **Jaeger, T. F.** 2013 (September). *Expectation adaptation (belief-updating) during speech and sentence processing*. Donders Institute of Cognitive Science, Nijmegen, Netherlands.
23. **Jaeger, T. F.** 2013 (September). *Adapting to overcome variability for efficient language processing*. Linguistics Department, Stockholm University, Sweden.
24. **Jaeger, T. F.** 2013 (August). *Zipf 2013: A perspective on the trade-off between robust information transfer an effort*. Zentrum fuer Allgemeine Sprachwissenschaften (ZAS), Berlin.
25. **Jaeger, T. F.** 2013 (May). *Learning to overcome variability for efficient language processing*. Brain Science Institute, Riken, Japan.
26. **Jaeger, T. F.** 2013 (April). *What linguistic variability and how we overcome it tells us about our linguistic knowledge*. Dept. of Linguistics, Yale University, CT.
27. **Jaeger, T. F.** 2012 (November). *How the Mind deals with (Linguistic) Variability: Integrating the past and present to improve future predictions*. Dept. of Psychology, Princeton University, NJ.
28. **Jaeger, T. F.** 2012 (October). *Defining an ideal speaker model and some preliminary tests*. Dept. of Psychology, University of Illinois, Urbana-Champaign, IL.
29. **Jaeger, T. F.** 2012 (October). *How recent experience affects language processing: Expectation alignment for robust information transfer.* Cognitive Science, Northwestern Universtiy, University, Chicago, IL.
30. **Jaeger, T. F.** 2011 (August). *Language in flux: Implicit learning and adaptation in language processing*. Center of Language and Cognition, University of Groningen, Netherlands, August 22nd, 2011.
31. **Jaeger, T. F.** 2011 (May). *Communicative Suitability and Malleability in Language – within lives and over generations.* DeLTA Center, Iowa University.
32. **Jaeger, T. F.** 2011 (May). *Do listeners continuously adapt their syntactic expectations to situation-specific statistics?* IRCS, University of Pennsylvania.
33. **Jaeger, T. F.** 2011 (April). *How communicative pressures may come to shape language over time.* Linguistics Colloquium, NYU, NYC, NY.
34. **Jaeger, T. F.** 2011 (February). *How communicative pressures may come to shape language over time.* Cognitive Science Colloquium, McMasters University, Hamilton, ON, Canada.
35. **Jaeger, T. F.** 2011 (January). *Information Theory and Rational Language Production (Why are form frequency and form reduction correlated?).* Linguistics Colloquium, Ohio State University.
36. **Jaeger, T. F.** 2010 (December). *Assessing the Transmission Problem: How could functional pressures affect grammar?* University of Tokyo.
37. **Jaeger, T. F.** 2010 (September). *Syntax in Flux?* ICCS-HCRC, University of Edinburgh.
38. **Jaeger, T. F.** 2010 (May). *Efficiency in Production.* Interdepartmental Colloquium, McGill.
39. **Jaeger, T. F.** 2010 (April). *Variation and Pressures on Production.* Linguistics Colloquium, University of Minnesota.
40. **Jaeger, T. F.** 2010 (April). *(Relative) Efficiency at High Speed: Speakers' Preferences at Choice Points during Language Production.* Cognitive Science Colloquium, University of Minnesota.
41. **Jaeger, T. F.** 2010 (February). *Speakers' preferences at choice points in language production facilitate efficient communication.* Cognition Workshop, Rutgers University.
42. **Jaeger, T. F.** 2010 (February). *An Information Theoretic Perspective on Language Production*. Center for Language Sciences Graduate Student Young Scientist Colloquium, Penn State. **[inaugural speaker]**

43. **Jaeger, T. F.** 2009 (May). *Efficient Language Production: The Role of Redundancy in Production*. Language and Cognition, University of Chicago. [updated UID talk]
44. **Jaeger, T. F.** 2009 (April). *Efficient Language Production: The Role of Redundancy in Production*. University of Connecticut. [updated UID talk]
45. **Jaeger, T. F.** 2009 (February). *Efficient Language Production?* Linguistics, MIT.
46. **Jaeger, T. F.** 2007 (February). *Speakers make optimal choices during language production*. Cognitive Science, SUNY Buffalo.
47. **Jaeger, T. F.** 2007 (November). *Optimal Language Production: Uniform Information Density*. Cognitive Science, Cornell University.
48. **Jaeger, T. F.** and Levy, R. 2006 (November). *Freedom to the Designs: Multiple logistic regression and mixed models*. CRL, UC San Diego.
49. Snider, N. and **Jaeger, T. F.** 2006 (November). *Implicit learning of probabilistic distributions of structural events: Evidence from syntactic priming*. CRL, UC San Diego.
50. **Jaeger. T. F.** 2006 (October). *How do language users estimate probabilities?* CRL, UC San Diego.
51. **Jaeger, T. F.** 2006 (October). *Probabilistic Syntactic Reduction.* Linguistics, UC San Diego.
52. **Jaeger, T. F.** 2006 (March). *Probabilistic Syntactic Production*. Brain and Cognitive Science Colloquium, MIT. [slightly revised version of talk at University of Rochester]
53. **Jaeger, T. F.** 2006 (February). *Comprehender-oriented Optimization: Probabilistic Syntactic Audience Design*. Linguistics Department, Northwestern University.
54. **Jaeger, T. F.** 2006 (February). *Probabilistic Syntactic Audience Design*. Sentence Processing Group, Freiburg University. [slightly revised version of talk at Indiana University]
55. **Jaeger, T. F.** 2006 (February). *Predictability and Persistence: Major players in syntactic production/reduction/variation*. Language Processing Group, Saarland University.
56. **Jaeger, T. F.** 2006 (January). *Probabilistic Syntactic Production*. Brain and Cognitive Science Colloquium, University of Rochester.
57. **Jaeger, T. F.** 2006 (January). *Probabilistic Audience Design in Syntactic Production*. Cognitive Science Colloquium, Indiana University.
58. **Jaeger, T. F.** 2005 (September). *Predictability Effects on Optional Word Omission*. CLIP, University of Maryland.
59. **Jaeger, T. F.** 2005 (September). *Production-complexity-driven audience design: Optional relativizer that*. CogLunch, University of Maryland.
60. **Jaeger. T. F.** 2005 (January). *No altruism needed: Dissociating production and comprehension in language processing*. Symbolic Systems Forum, Stanford University.
61. **Jaeger, T. F.** and Wasow, T. 2005 (November). *Alleviating production difficulties: Corpus studies of non-subject relative clauses in spoken English*. CogLunch, MIT.
62. **Jaeger, T. F.** and Norcliffe, E. 2004 (September). *Prosodic Phrasing and Intonational Melody: Evidence against a 1:1 mapping*. Hungry Language Club, MIT, Cambridge, MA.
63. **Jaeger, T. F.** 2004 (June). *Non-pitch based focus-marking in English: Second occurrence focus and its consequences for theories of intonation.* ICCS talk, University of Edinburgh.
64. **Jaeger, T. F.** and D. Oshima. 2002 (November). *Towards a Dynamic Model of Topic-Marking.* Semantics Workshop, Stanford.

Refereed Conference Talks

(Proceeding Papers are not repeated below)

09/2013 Yildrim, I., Degen, J., **Jaeger, T. F.**, and Tanenhaus, M. 2013. *Lexical adaptation of quantifier meanings*. 19th Architecture and Mechanisms for Language Processing 2013, Marseille, France.

03/2013 Fine, A.B., Farmer, T., and **Jaeger, T. F.** 2013. *Syntactic Adaptation: Converging on the statistics of the linguistic environment.* The 26t[th] CUNY Sentence Processing Conference. Columbia, SC, March 21st-23rd.

10/2012 Weatherholtz, K., and Campbell-Kibler, K., and **Jaeger, T. F.** 2012. *Liberals, compromisers, and*

accented speakers: Social influences on syntactic alignment. 41st Annual conference on New Ways of Analyzing Variation (NWAV), Bloomington, IN.

09/2012 Weatherholtz, K., and Campbell-Kibler, K., and **Jaeger, T. F.** 2012. *Syntactic Alignment is Mediated by Social Perception and Conflict Management*. 19th Architecture and Mechanisms for Language Processing 2012, Riva del Garda, Italy.

01/2012 Kurumada, C. and **Jaeger, T. F.** 2012. *Communicatively efficient language production and case-marker omission in Japanese*. 86th Annual Meeting of the Linguistic Society of America, Portland, OR, January 5th-8th.

09/2011 Kleinschmidt, D. and **Jaeger, T. F.** 2011. *A Bayesian belief updating model of phonetic recalibration and selective adaptation*. 17th Architecture and Mechanisms for Language Processing 2011, Paris, France. **[Best Student Talk Award for Dave Kleinschmidt]**

07/2011 Watts, A. and **Jaeger, T. F.** 2011. *Balancing experimental lists without sacrificing voluntary participation*. Crowdsourcing Technologies for Language and Cognition Studies, Workshop held at the 2011 Summer Institute of the Linguistics Society of America, Boulder, CO, July 26th.

07/2011 **Jaeger, T. F.**, Tily, H., Frank, M., Gutman, J., and Watts, A. 2011. *A web-based (iterated) language learning paradigm with human participants*. Crowdsourcing Technologies for Language and Cognition Studies, Workshop held at the 2011 Summer Institute of the Linguistics Society of America, Boulder, CO, July 26th.

06/2011 Degen, J. and **Jaeger, T. F.** 2011. *Speakers sacrifice some (of the) precision in conveyed meaning to accommodate robust communication*. 4th Biennial Experimental Pragmatics Conference, Universitat Pompeu Fabra, Barcelona, June 2nd-4th.

04/2011 Piercy, C., Rickford, J., Wasow, T., **Jaeger, T. F.**, and Thomas, E. 2011. *Language Processing and Relative Clauses in Dorset English*. VaLP 2011, University of Chester, April 11th – 13th.

03/2011 Graff, P. & **Jaeger, T. F.** 2011. *What Similarity Typology can tell us about the Language Production System*. The 24th CUNY Sentence Processing Conference. Stanford, CA. March, 2011.

01/2011 Melnick, R, **Jaeger, T. F.**, and Wasow, T. 2011. *Speakers employ fine-grained probabilistic knowledge.* 85th Annual Meeting of the Linguistic Society of America, Pittsburgh, PA.

01/2011 Degen, J. and **Jaeger, T. F.** 2011. *Speakers sacrifice some (of the) precision in conveyed meaning to accommodate robust communication.* 85th Annual Meeting of the Linguistic Society of America, Pittsburgh, PA.

09/2010 Furth, K., Hilliard, C., and **Jaeger, T. F.** 2010. *Phonological Interference in Unscripted and Scripted Sentence Production.* 16th Architecture and Mechanisms for Language Processing 2010, Newcastle, UK.

03/2010 **Jaeger, T. F.**, Levy, R., and Ferreira, V. 2010. *Context-Sensitive Information Density Affects Syntactic Production – Even in the Lab.* The 23rd CUNY Sentence Processing Conference, NYC, NY.

03/2009 Gómez Gallo, C. and **Jaeger, T. F.** 2009. *How Incremental is Language Production?* The 22nd CUNY Sentence Processing Conference, Davis, CA.

01/2009 Graff, P. and **Jaeger, T. F**. 2009. *Modeling OCP Effects in the Javanese Lexicon*. UCLA-UC Berkeley Conference on the Languages of Southeast Asia, UCLA, January, 2009.

01/2009 **Jaeger, T. F.**, Frank, A., Gómez Gallo, C., and Wagner Cook, Susan. 2009. *Rational Language Production: Evidence for Uniform Information Density*. 83rd Annual Meeting of the Linguistic Society of America, San Francisco.

01/2009 Qian, T. and **Jaeger, T. F.** 2009. *Universal Efficient Language Use? Constant Entropy in Mandarin Chinese.* 83rd Annual Meeting of the Linguistic Society of America, San Francisco.

04/2008 Kidd, C. and **Jaeger, T. F**. 2008. *Prosodic Phrasing and Function Word Pronunciation*. Prosody 2008, Cornell University, Ithaca, NY.

03/2008 Frank. A. and **Jaeger, T. F.** 2008. *Models of Speaker Choice in Production: Integrating Information and Availability*. The 21st CUNY Sentence Processing Conference, Chapel Hill, NC.

03/2008 Tanenhaus, M., Frank, A., **Jaeger, T. F.**, Masharov, M. and Salverda, A.P. 2008. *The art of the*

state: Mixed effect regression modeling in the Visual World. The 21st CUNY Sentence Processing Conference, Chapel Hill, NC.

03/2008 Wagner Cook, S., **Jaeger, T. F.**, and Tanenhaus, M. 2008. *Producing Dispreferred Structure.* The 21st CUNY Sentence Processing Conference, Chapel Hill, NC.

03/2008 Gómez Gallo, C., **Jaeger, T. F.**, Smyth, R. 2008. *From Message to Syntax: Incremental Syntactic Planning beyond the Clause Level.* The 21st CUNY Sentence Processing Conference, Chapel Hill, NC.

03/2008 **Jaeger, T. F.**, Fedorenko, E., Hofmeister, P., and Gibson, E. 2008. *Expectation-based Syntactic Processing: Anti-locality outside of Head-final Languages*. The 21st CUNY Sentence Processing Conference, Chapel Hill, NC.

08/2007 **Jaeger, T. F.** 2007. *Rational Speakers: speakers help processing when it is most necessary.* 13th Architecture and Mechanisms for Language Processing 2007, Turku, Finland.

08/2007 Frank, A. and **Jaeger, T. F.** 2007. *A Theory Of Choice In Production: Uniform Information Density Vs. Availability-Based Production.* 13th Architecture and Mechanisms for Language Processing 2007, Turku, Finland.

03/2007 **Jaeger, T. F.** and Snider, N. 2007. *Surprisal and Cumulativity in Syntactic Priming - Evidence for Implicit Learning*. The 20th CUNY Sentence Processing Conference, San Diego, CA. **[Katz Award]**

01/2007 **Jaeger. T. F.** 2007. *Usage or Grammar? Production and Comprehension access the same probabilities.* 81st Annual Meeting of the Linguistic Society of America, Anaheim.

01/2007 Kinsey, R., Wasow, T., and **Jaeger, T. F.** 2007. *What does "that" mean? Experimental Evidence against the Principle of No Synonymy.* 81st Annual Meeting of the Linguistic Society of America, Anaheim.

09/2006 **Jaeger. T. F.** and Levy, R. 2006. *The Structural Basis of Probabilistic Syntactic Production*. 12th Architecture and Mechanisms for Language Processing 2006, Nijmegen, Netherlands.

03/2006 **Jaeger, T. F.** 2006. *Syntactic persistence in real life (spontaneous speech)*. The 19th CUNY Sentence Processing Conference, New York, NY.

10/2005 **Jaeger, T. F.** and Staum, L.W. 2005. *That-Omission Beyond Processing: Stylistic and Social Effects*. 34th Annual conference on New Ways of Analyzing Variation (NWAV), New York, NY.

09/2005 **Jaeger, T. F.**, Levy, R., Wasow, T., and David Orr. 2005. *The Absence of "that" is Predictable if a Relative Clause is Predictable*. 11th Architecture and Mechanisms for Language Processing 2005, Ghent, Belgium.

04/2005 **Jaeger, T. F.** and Wasow, T. 2005. *Production-complexity Driven Variation: Relativizer Omission in Non-Subject-extracted Relative Clauses*. The 18th CUNY Sentence Processing Conference, Tucson, AZ.

01/2005 Staum, L. and **Jaeger, T. F.** 2005. *Using gradient acceptability judgments to study the development of a syntactic construction.* 79th Annual Meeting of the Linguistic Society of America, San Francisco.

01/2005 **Jaeger, T. F.** and Norcliffe, E. 2005. *Post-nuclear prosodic phrasing: On the relation between accent placement and prosodic phrasing.* 79th Annual Meeting of the Linguistic Society of America, San Francisco.

06/2004 **Jaeger, T. F.** 2004. *The prosodic properties of second occurrence focus*. Phonetik und Phonologie 1, Universität Potsdam, Germany.

03/2004 Jaeger, T. F. 2004. *Sometimes the twin just doesn't care. Relevance as a requirement on definite NPs in English.* Semantics Fest 2004, Stanford.

01/2004 Beaver, D., Clark, B., Flemming, E. and **Jaeger, T. F.** 2004. *The perception of second occurrence focus*. 78th Annual Meeting of the Linguistic Society of America, Boston.

03/2003 **Jaeger, T. F.** and M. Wagner. 2003. *When Warriors mourn longer. An investigation of some phonetic predictions of current semantic focus theories.* Semantics Fest 2003, Stanford.

04/2001 Berthele, R. and **Jaeger, T. F.** 2001. *On the use of Construction Grammar in Diachrony and*

Dialectology. 1st International Conference on Construction Grammar, Berkeley.

Conference Posters

(Proceeding papers are not repeated below)

09/2013 Linzen, T. and **Jaeger, T. F.** 2013. *Uncertainty and surprisal in sentence processing*. 19th Architecture and Mechanisms for Language Processing 2013, Marseille, France.

09/2013 **Jaeger, T. F.**, and Grimshaw, J. 2013. *Information density affects both production and grammatical constraints*. 19th Architecture and Mechanisms for Language Processing 2013, Marseille, France.

07/2013 Kleinschmidt, D. and **Jaeger, T. F.** 2013. *Modeling adaptation to multiple speakers as (Bayesian) belief updating*. Workshop on How the brain accommodates variability in linguistic representation, Ann Arbor, MI, July 14, 2013.

07/2013 Fine, A., Farmer, T., and **Jaeger, T. F.** 2013. *Syntactic adaptation: converging on the statistics of the linguistic environment*. Workshop on How the brain accommodates variability in linguistic representation, Ann Arbor, MI, July 14, 2013.

04/2013 Kleinschmidt, D. and **Jaeger, T. F.** 2013. *Speech perception, the lack of invariance, and adaptation: A computational level analysis*. Workshop on Current Issues and Methods in Speaker Adaptation (CIMSA), Columbus, OH, April 6-7, 2013.

03/2013 Gillespie, M., **Jaeger, T. F.**, and Ferreira, V. 2012. *Incremental Planning of Complex Noun Phrases In Sentence Production*. The 26t[th] CUNY Sentence Processing Conference. Columbia, SC, March 21[st]-23[rd].

03/2013 Buz, E. and **Jaeger, T. F.** 2013. *Comparing measures of word confusability and their effect on speech production.* The 26t[th] CUNY Sentence Processing Conference. Columbia, SC, March 21[st]-23[rd].

11/2012 Gillespie, M., **Jaeger, T.F.**, and Ferreira, V. 2012. *Incremental Planning of Complex Noun Phrases in Sentence Production*. Psychonomic Society Annual Meeting, Minneapolis, MN, November 15[th]-18[th.]

07/2012 Buz, E. and **Jaeger, T. F.** 2012. *Word confusability and word durations.* 7[th] International Workshop on Language Production, NYC, NY, July 18[th]-20[th].

07/2012 Buz, E., Farmer, T. and **Jaeger, T. F.** 2012. *Speakers are sensitive to prediction mismatches between two cues to grammatical category in spontaneous speech.* 7[th] International Workshop on Language Production, NYC, NY, July 18[th]-20[th].

03/2012 Kleinschmidt, D., Fine, A.B. & **Jaeger, T. F.** 2012. *A Bayesian belief-updating model of syntactic expectation adaptation*. The 25[th] CUNY Sentence Processing Conference. NYC, NY. March.

03/2012 Kleinschmidt, D. & **Jaeger, T. F.** 2012. *Evaluation of a Bayesian belief-updating model for the time course of linguistic adaptation*. The 25[th] CUNY Sentence Processing Conference. NYC, NY. March.

03/2012 Buz, E. & **Jaeger, T. F.** 2012. *Effects of phonological confusability on speech duration*. The 25[th] CUNY Sentence Processing Conference. NYC, NY. March.

03/2012 Kurumada, C. & **Jaeger, T. F.** 2012. *Communicative efficiency and grammatical encoding in speech: Predicting case-marker omission in Japanese*. The 25[th] CUNY Sentence Processing Conference. NYC, NY. March.

04/2011 Butler, L. K., **Jaeger, T. F.**, and Bohnemeyer, J. 2011. *Psycholinguistics and under-represented languages: Number in Yucatec Maya sentence production.* Proceedings of the 29[th] West Coast Conference on Formal Linguistics, Tucson, AZ, April.

03/2011 Degen, J. & **Jaeger, T. F.** 2011. *Trading off precision in conveyed meaning for robust communication*. The 24[th] CUNY Sentence Processing Conference. Stanford, CA. March.

03/2011 Fedzechkina, M., **Jaeger, T. F.** & Newport, E. 2011. *Functional pressures in (artificial) language learning*. The 24[th] CUNY Sentence Processing Conference. Stanford, CA. March.

03/2011 Fine, A.B. & **Jaeger, T. F.** 2011. *Principles and Mechanisms Underlying Syntactic Adaptation*. The 24th CUNY Sentence Processing Conference. Stanford, CA. March.

01/2011 Fedzechkina, M., **Jaeger, T. F.**, and Newport, E. 2011. *Word order and case marking in language acquisition and processing.* 85th Annual Meeting of the Linguistic Society of America, Pittsburgh.

09/2010 Norcliffe, E. and **Jaeger, T. F.** 2010. *Uniform Information Density in Yucatec Maya Sentence Production.* 6th International Workshop on Language Production, Edinburgh, UK, September 2-4.

09/2010 Furth, K., Hilliard, C., and **Jaeger, T. F.** 2010. *Phonological Interference in Unscripted and Scripted Sentence Production.* 6th International Workshop on Language Production, Edinburgh, UK, September 2-4.

03/2010 Post, M. and **Jaeger, T. F.** 2010. *Word Production in Spontaneous Speech: Availability and Communicative Efficiency.* The 23rd CUNY Sentence Processing Conference, NYC, NY.

03/2010 Butler, L. K., **Jaeger, T. F.**, Housel, K., Gómez Gallo, C., Lemieux, A., and Bohnemeyer, J. 2010. *Psycholinguistics in the field: Accessibility-driven Production in Yukatek Maya.* The 23rd CUNY Sentence Processing Conference, NYC, NY.

03/2010 Gómez Gallo, C., **Jaeger, T. F.**, and Polinsky, M. 2010. *Spanish Left Dislocation: An Alternative Strategy for Inter-Clausal Planning.* The 23rd CUNY Sentence Processing Conference, NYC, NY.

03/2010 Norcliffe, E. and **Jaeger, T. F.** 2010. *Uniform Information Density in Yucatec Maya Sentence Production.* The 23rd CUNY Sentence Processing Conference, NYC, NY.

03/2010 Melnick, R., **Jaeger, T. F.**, and Wasow, T. 2010. *Speakers Embody Fine-Grained Probabilistic Knowledge.* The 23rd CUNY Sentence Processing Conference, NYC, NY.

03/2009 Graff, P. and **Jaeger, T. F.** 2009. *Optimizing Distinctiveness: Similarity Avoidance in the Mental Lexicon.* The 22nd CUNY Sentence Processing Conference, Davis, CA.

03/2009 Frank, A., Salverda, A. P., **Jaeger, T. F.**, and Tanenhaus, M. 2009. *Analyzing multinomial time-series data with "state" dependencies.* The 22nd CUNY Sentence Processing Conference, Davis, CA.

03/2009 Klein, N., Li, R., Jaeger, T. F., Carlson, G. and Tanenhaus, M. 2009. *Understanding the Mass/Count Distinction Cross-linguistically: Chinese and English Classifiers in the Visual World.* The 22nd CUNY Sentence Processing Conference, Davis, CA.

03/2009 Van Durme, B., Frank, A., and **Jaeger, T. F.** 2009. *Comparing sources of corpus frequency information*. The 22nd CUNY Sentence Processing Conference, Davis, CA.

07/2008 Frank, A., Kidd, C., Post, M., Van Durme, B., **Jaeger, T. F.** 2008. *The Web as a Psycholinguistic Resource*. The 5th International Workshop on Language Production, Annapolis, Maryland.

03/2008 **Jaeger, T. F.** and Kidd, C. 2008. *A Unified Model of Redundancy Avoidance and Strategic Lengthening.* The 21st CUNY Sentence Processing Conference, Chapel Hill, NC.

03/2008 Race, D., Tanenhaus, M., Hare, M., and **Jaeger, T. F.** 2008. *All we are saying is give primes a chance.* The 21st CUNY Sentence Processing Conference, Chapel Hill, NC.

08/2007 A. Frank and **Jaeger, T. F.** 2007. *Effects of Local Context on Choice in Production: Duration, Frequency, Fluency, and Phonology.* 13th Architecture and Mechanisms for Language Processing 2006, Turku, Finland.

03/2006 **Jaeger, T. F.**, Snider, N., Staum, L., and Jurafsky, D. 2006. *(In)dependence of Lexical and Syntactic Production: that-reduction and omission in spontaneous speech*. The 19th CUNY Sentence Processing Conference, New York, NY.

03/2006 **Jaeger, T. F.**, Fedorenko, E., and Gibson, T. 2006. *Anti-locality effects without sentence-final verbs: Even in English farther can sometimes be faster*. The 19th CUNY Sentence Processing Conference, New York, NY.

04/2005 **Jaeger, T. F.**, Fedorenko, E., and Gibson, E. 2005. *Dissociation between production and comprehension complexity*. The 18th CUNY Sentence Processing Conference, Tucson, AZ.

04/2005 Arnon, I., Estigarribia, B., Hofmeister, P., **Jaeger, T. F.**, Pettibone, J., Sag, I.A., and Snider, N. 2005. *Rethinking Superiority effects-a processing model*. The 18th CUNY Sentence Processing Conference, Tucson, AZ.

04/2005 **Jaeger, T. F.**, Orr, D., and Wasow, T. 2005. *Comparing and combining frequency-based and locality-based accounts of complexity*. The 18th CUNY Sentence Processing Conference, Tucson, AZ.

01/2005 Arnon, I., Estigarribia, B., Hofmeister, P., **Jaeger, T. F.**, Pettibone, J., Sag, I.A., and Snider, N. 2005. *Processing explains Superiority Effects*. Hopkins Workshop on Language 3, Johns Hopkins University.

07/2003 **Jaeger, T. F.** 2003. *Neither sentence topic, nor contrastiveness marker: A new approach to the discourse function of 'as for'*. 8th International Pragmatics Conference, Toronto, Canada. [cancelled due to SARS warnings for Toronto]

07/2003 **Jaeger, T. F.** and D. Oshima. 2003. *The Dynamic Construction of Discourse Trees: Data from Japanese and English*. 8th International Pragmatics Conference, Toronto, Canada. [cancelled due to SARS warnings for Toronto]

10/2002 **Jaeger, T. F.** 2002. *The Discourse Function(s) of 'as for'. First Steps Towards an Analysis of Discourse Subtopic Shifts.* New Ways of Analyzing Variation 31, Stanford.

EDITORIAL AND REVIEWING SERVICES

Editorial boards

2012 to 2014 Journal of Memory and Language

Editor of Special Issues and Books

76. Harris, A., Norcliffe, E., and **Jaeger, T. F.** in progress (2015). Field-based Psycholinguistics (working title). *Oxford University Press.*
77. Wiechman, D., Kerz, E., Snider, N. and **Jaeger, T. F.** (2013). Parsimony and redundancy in models of language. *Language and Speech 56(3)*, 255–418.

Reviewing

ADVISING

[7]NRSA; [6]NSF Graduate Fellowship; [5]LSA Fellowship; [4]Sproull Fellowship; [3]Provost Fellowship, [2]Bishop Award; [1]Bilski-Mayer Award

Post-Doctoral Researchers

Current: *Scott Fraundorf*, *Klinton Bicknell* (w/ M. Tanenhaus; Assistant Professor, Linguistics, Northwestern University); *Bozena Pajak* (CLS w/ R. Aslin)

Former: *Jenny Roche* (w/ M. Tanenhaus; lecturer BCS, University of Rochester); *Lindsay K. Butler* (lecturer, BCS, University of Rochester), *Thomas Farmer* (w/ M. Tanenhaus; Assistant Professor, Psychology, Iowa University), *Neal Snider* (w/ J. Runner; senior speech engineer, Nuance Technology), *Harry Tily* (w/ E. Gibson; senior data engineer, Nuance Technology), *Susan Wagner Cook* (w/ M. Tanenhaus; Assistant Professor, Psychology, Iowa University)

Graduate Students

Current: *Samual Corbin* (LIN/BCS, 2nd-ary), [3]*Esteban Buz* (BCS), [4,5,6]*Dave Kleinschmidt* (BCS), *Ting Qian* (BCS, 2nd-ary), [5]*Maria Fedzechkina* (BCS), [5]*Dan Pontillo* (BCS, 2nd-ary)

Former: *Judith Degen* (LIN/BCS, 2nd-ary), [6]*Alex Fine* (LIN/BCS), [4]*Austin Frank* ('11, BCS; engineer, Amazon), *Carlos Gómez Gallo* ('11, CS/LIN; post-doc, CS, Miami U.)

External Graduate Students

Current: *Guillermo Montero Melis* (BILING, Stockholm); *Thomas Hörberg* (LIN, Stockholm)

Former: *Benjamin Anible* ('10, M.A., LIN, Rochester)

Undergraduate Students

Current: [1]*Nicole Craycraft*

Graduated: *Colleen Dolan* ('12), [2]*Katrina Furth* ('10), [1]*Jacqueline Gutman* ('10), *Camber Hansen-Karr* ('10), *Caitlin Hilliard* ('09), [2]*Ting Qian* ('09)

Undergraduate Research Assistants

Flemming, Justin (10/12); *Sharp, Jenny* (09/12); *Narissa, Gogos* (07/12); *Lincoln, Theodore* (06/12); *Craycraft, Nicole* (10/11); *Guevara, Alma* (10/11); *Murphy, Derek* (10/11); *Stanley, Tara* (5/11); *Choi, Vivian* (10/10); *Bernstein, Keryn* (10/10-4/11); *Glass, Rebecca* (8/10-9/10); *Dolan, Colleen* (5/10-5/12); *Donatelli, Cassandra* (5/10-5/12); *Gruters, Kurtis* (1/10-2/10); *Minkina, Irene* (9/09-5/10); *Hilliard, Caitlin* (6/09-3/10); *Kumar, Swapna* (5/09-11/10); *Dizon, Maureen* (4/09-8/10); *Ferris, Jeremy* (3/09-8/11); *Hansen-Karr, Camber* (3/09-5/11); *Perlman, Amanda* (1/09-1/10); *Shen, Yizhou* (1/09-12/09); *Wood, Andy* (11/08-4/09); *Wu, Alice* (11/08-2/09); *Levin, Mark* (10/08-12/08); *Murphy, Ryan* (10/08-8/10); *Brown, Sarah* (3/08-4/10); *Housel, Katrina* (6/07-4/10)

Brain and Cognitive Sciences Major Mentoring

Simon, Jonathan (20XX); *Roemer, Emily* (2015); *Bigelow, Eric* (2014); *Cason, Sierra* (2014); *Craycraft, Nicole* (2014); *Finnie, Sheridan* (2014); *Hoyos, Elisa* (2014); *Moynihan, Brandon* (2014); *Sharp, Jennifer* (2014); *Smith, Jessica* (2014); *Elkins, Nathaniel* (2013); *Smith, Jessica* (2013); *Gripshover, Bailey* (2013); *Cannon, Grace* (2013); *Bernstein, Keryn* (2013); *Weiss, Anja* (2013); *Babko-Malaya, Ekaterina* (2013); *Biehler, Kaitlyn* (2012); *Edwards, Charles* (2012); *Graber, Melanie* (2012); *Gutman, Jacqueline* (2012); *Hebert, Laryssa* (2012); *Jordi-Cruzval, Magda* (2012); *Smith, Jessica* (2012); *Stanley, Tara* (2012); *Braine, Jillian* (2011); *Glass, Rebecca* (2011); *Hansen-Karr, Camber* (2011); *O'Connor, Jordan* (2011); *Rosenblatt, Seth* (2011); *Sharkey, Laura* (2011); *Lussier, Courtney* (2010); *Saks, Samantha* (2010); *Khan, Novall* (2009)

Invited

2013, Julye	*Mixed Effect Models*, LSA Summer Institute, Ann Arbor, MI (2.5h*6, 40 attendees)
2012, October	*Advanced issues in Mixed Models*, Psychology, University of Illinois (*1, 30 attendees)
2012, January	*Psycholinguistics and Grammar,* EVELIN Institute, Campinas, Brazil (*6, 100 attendees)
2011, August	*Fitting, Evaluating, and Reporting Mixed Models*, Cognitive Science Center, University of Groningen (*1, 80 attendees)
2011, August	Masters class on *Adaptation in language*, University of Groningen (*1, 10 students)
2011, July	*Computational Psycholinguistics*, LSA Summer Institute, UC Boulder (*8, 25 students; co-taught w/ R. Levy)
2011, May	*Mixed regression modeling*, Delta Center, University of Iowa (*3, 25 atttendees)
2010, December	*Mixed regression modeling,* Language and Information Sciences, University of Tokyo
2010, May	*Ordinary and multilevel regression modeling*, McGill (*2, 50 attendees)
2010, February	*Multilevel Models*, Penn State (*2, 20 attendees)
2009, July	*Corpus-based Research on Syntactic Processing and Representation*. LSA Summer Institute, UC Berkeley (*6, 40 students)
2009, May	*Ordinary and multilevel regression modeling*, University of Chicago (3h*2)
2009, April	*Multilevel regression modeling*, Haskins Laboratories (6h*1)
2008, November	*Ordinary and multilevel regression modeling*, University of Copenhagen (4h*2)
2007, July	*Introduction to statistics in R*, LSA Summer Institute, Stanford (2h*3; 80 students)
2005, August	*Focus and Prosodic Prominence*, ESSLLI, Edinburgh, UK. (1.5h*5; 25 students; co-taught w/ S. Calhoun)

Regular

2011 – now, Spring	*BCS 310 and 311: Honors Seminar*, U. of Rochester (20 undergraduates)
2007 – 2009, 2011 – 2012, Fall	*BCS 152: Language and Psycholinguistics*, U. of Rochester (100-150 undergraduates).
2011, Spring	*Introduction to Generalized Linear Mixed Models in R*, U. of Rochester (10 sessions, 25 students)
2010, Spring	*BCS 562: Computational Accounts of Language Production*, U. of Rochester (10 graduates)
2009, Spring	*BCS 261: Language use and understanding*, co-taught with M. Tanenhaus, University of Rochester
2008, Summer	*Mini course on ordinary and multilevel regression modeling* (6 sessions, 15 students)
2007, Fall	*Introduction to Continuous and Categorical Data Analysis* (2 sessions; 20 participants from Cornell University and University of Rochester)
2007, Summer	Regular meetings on *Statistical Modeling,* University of Rochester (10-20 participants)
2006, Winter	*Laboratory Syntax*. Graduate-level class on experimental methods for syntactic research, co-taught with I. Sag, Stanford University (10 students).

Individual Study for Undergraduates

2012, Summer	*Rapid expectation adaptation in syntactic processing* (Nicole Craycraft)
2012, Spring	*Production at the two-word stage* (Shreya Krishnan & Eric Partridge co-advised by M. Fedzechkina)

2012, Spring	*Effects of linguistic and musical training on language processing* (Narissa Gogos, Grace Lisandrelli, & Thomas Davison co-advised by A. Fine & D. Kleinschmidt)
2012, Spring	*Audience Design* (Grace Cannon, Justin Flemming, & Peter Kremer co-advised by J. Roche & E. Buz)
2011, Spring	*Syntactic persistence and social attitude* (Camber Hansen-Karr)
2011, Spring	*Functional biases in language acquisition* (Tara Stanley, co-advised by M. Fedzechkina)
2010, Summer	*Ambiguity avoidance and adaptation* (Jacqueline Gutman)
2010, Spring	*Processing and word order acquisition* (Colleen Dolan & Rebecca Glass, co-advised by M. Fedzechkina)
2010, Spring	*Phonological similarity effects on sentence production* (Caitlin Hilliard & Katrina Furth)
2010, Spring	*Cross-linguistic syntactic priming* (Jane Tran co-advised by T. Qian)
2009, Fall	*Ambiguity avoidance in reducible subject relative* (Jacqueline Gutman & Amanda Perlman)
2008, Fall	*Efficiency of language production in native and non-native speakers* (Ting Qian)

ADDITIONAL ACADEMIC SERVICES

Conference or Workshop Organization and Program Committees

2013	LSA 2013 Summer Institute Workshop *How the brain accommodates variability in linguistic representations*, University of Michigan, Ann Arbor. (w/ Victor Ferreira)
2010 to 2012	CMCL program committee
2011	LSA Annual Meeting Organized Session on *Empirical evaluations of usage-based constructionist models of language representation and processing*, Pittsburgh, PA (w/ Daniel Wiechman, Elma Kerz, and Neal Snider).
2009	CUNY Workshop on Good Practices in Ordinary and Multilevel Regression Modeling (WOMM), UC Davis.

Advisory Boards, Centers, and more

Fall, 2012	Education and Technology Committee, University of Rochester (created report on how technology can enhance the integration of teaching and research)
2010	Advisory board to Elsevier's *Article of the Future* project (http://www.articleofthefuture.com/acknowledgements)
2007 – now	Center of Language Science Colloquia, University of Rochester
2007	Co-created Center for Computation and the Brain, University of Rochester
2006 to 2010	Scientific advisory board to GAIN (an academic network initiative of DAAD, and DFG)
2004	Co-organized 1st Stanford QP Fest
2004	Co-organized Child Language Research Forum, Stanford University
